

Personnel Policy

You expect a lot – we do, too

Looking for an employer who rewards outstanding achievements? We offer you performance-based compensation models.

Our clients expect top performance from us. We can only accomplish that when we can enthusiastically stand behind what we do.

To make that possible, it is absolutely necessary to have an in-house environment that inspires and motivates our employees.

For that reason, we attach equally great value to our personnel policy as we do our performance policy - for more than 60,000 clients throughout the world.

For further information about personnel policy please visit our local websites:
